Michal Clements is an Executive Coach and Business Consultant. Her mission is to coach senior leaders to grow their organizations and develop their teams. She leverages diverse experience from a range of organizations, including food, tech, software, financial services, personal care, medical devices, manufacturing, entertainment, education, CPG, automotive, not-for-profit and travel.

She works with entrepreneurial and mid-sized businesses as well as some of the world's most recognized brands.

[Insight To Action](#) is a market research firm. We combine market research insights with client collaboration to create a blueprint for action.

A Book by Michal Clements and Teri Lucie Thompson
